

Governor's Traffic Safety Advisory Commission
SHSP Action Team Name: Senior Mobility Work Group
Location Horatio Earle Learning Center
Date Thursday, November 13, 2014
Time 1:30 – 3:30 pm

Attendance	
Name	Agency
Linda Fech	OHSP
Carol Reagan	MDOS
Stu Lindsay	MDOT
Kim Larivere	MDOT
Sandra Maxwell	AAA – via conference call
Dave Morena	FHWA
Donna Buciarelli	Beaumont Hospital
Roberta Habowski	AAA1B – via conference call
Jill Gleason	MSP
Tari Muniz	OSA
Patrick Bowman	UMTRI

Agenda Item: Guest Speaker: Patrick Bowman, Statistician from UMTRI
Discussion: Patrick Bowman presented Michigan Traffic Crash Facts older driver data. There is an increase in the number of crashes with drivers age 65+, and it is thought that the increase is because of the increase in the number of drivers in this age group and because crashes overall have increased.
Action: There were a number of additional data requests (adding all ages to passenger slide, add degree of injury for passengers not wearing a seat belt in the front right seating position, include all counties, add data for every day by time of day) came up as the group discussed, and Patrick will work to provide it for the group. Patrick requested to be added to the SMWG participant list and he will attend as needed.

Agenda Item: Update on Older Driver Education & Safe Mobility Planning Project – Stu Lindsay
Discussion: Stu reported on the Older Driver Education and Safe Mobility Planning Project. They are now in the second year of the project and UMTRI will be focusing on ways to communicate such as via a web site. They are also concentrating on branding and will be working to recommend a model leadership/organizational component.
Action: The next advisory group meeting will be scheduled some time in January. Stu also mentioned that MDOT communications has started working with MDOS communications and they plan to include OHSP communications too.

Agenda Item: Discussion of the SMWG Action Plan Accomplishments
Discussion: Action Plan Accomplishments were not discussed in detail. Team members were asked to provide input by November 21 to Linda or Lisa L.
Action: Lisa and Linda will update the Accomplishments and submit by the December 1, 2014 deadline.

Agenda Item: Michigan's Guide for Aging Drivers and their Families Update
Discussion: Kim reported that we have less than 200 copies of the guidebook at MDOT and less than 4000 on hand at the MDOS warehouse. An additional printing is planned for November or December. An insert to inform medical professionals about the guidebook has also been developed and will be placed in all re-licensure notices by LARA. This will include physicians, RNs, OTs, and PTs.
Action: The printing order will be submitted by OHSP to DTMB for additional guidebooks. Guidebooks will be distributed through the MDOS warehouse via ordering at www.michigan.gov/agingdriver . MDOT will print the inserts and LARA will begin mailing with re-licensure notifications.

Agenda Item: FHWA Noteworthy Practices Update
Discussion: FHWA funded a vendor to develop a noteworthy practices guide from the NACEM. Kim reported that she is reviewing a draft that includes 20-25 of the sessions.
Action: None at this time

Future Meeting Dates

January 8, 2015

March 12, 2015

May 7, 2015

July 9, 2015

September 10, 2015

November 12, 2015
